

LP-FT100 - DAP FUNCTIONAL TRAINER

Included Attachments

PRODUCT FEATURES

The Legion LP-FT100 Primus Dual Adjustable Pulley Functional Trainer has a weight stack that delivers a 1:2 resistance level to provide lower starting resistances for less experienced users. It allows for high-speed movements for sport-specific training.

Solid-steel weight plates with 200 lbs on each weight stack. Top weight plate is fitted with self-lubricating bushings, and 7/16" (11 mm) diameter weight selector pin magnetically locks in place and is connected to stack to prevent loss.

The LP-FT100 DAP Functional Trainer builds balance and stability as a result of user-defined path of motion. The Dual Adjustable Pulley offers effective strength training with endless versatility.

Accessories include Long bar, Sport bar, 4-way Ankle Strap, Triceps Rope, 2 Short Strap Handles, and 2 Long Strap Handles.
