

PRODUCT FEATURES

The Legion LP-VKRC D Primus Vertical Knee Raise Chin Dip Station is a three-in-one, space efficient machine tailored to your specific workout needs.

The Legion LP-VKRC D Primus Vertical Knee Raise Chin Dip Station is forward-facing, so the unit can be placed near a wall or corner to save space and easy access, allowing users to do wide, narrow, and close grip pull-ups, dips, extra deep push-ups, vertical knee raises for abs.

Legion Primus Series premium benches and racks seamlessly integrate with other pieces of the line to complete a family of high-quality strength training products.
